Hello

I'm Bev Gray

I'm an independent celebrant who creates heartfelt, memorable ceremonies that reflect the people at the centre of them.

Everyone has a unique story, and I believe your ceremony should tell that story in a way that feels authentic, personal and completely yours.

Whether you're planning a grand celebration, an intimate gathering or something outdoors, I'll work closely with you to create a ceremony that captures your personalities, values and journey.

My role is to guide you through the process, help you feel relaxed and confident, and create a ceremony your guests will remember long after the day is over.
